

DRINK MENU

## **CRAFTED IN-HOUSE**

*Mossback Distillery's cocktails are crafted with syrups and liqueurs that are hand-made in-house.*

## **LOCALLY SOURCED**

*Mossback Distillery locally sources our ingredients from Tennessee. Batey Farms of Murfreesboro provide us with a nongenetically modified barley and rye from a farm that has been family owned and operated for eight generations, dating back to 1807.*

*Mossback sources our corn from Shelton Farms of New Market, located less than fifteen minutes away from our distillery. They provide us with a strain of heirloom dent corn that has its roots dating back to the 1870s. This heirloom corn was originally selected by the Native Americans of the area and widely used across Southern Appalachia.*

## **INSPIRED**

*"The Battery" is an homage to Captain Eli Lilly's 18th Indiana Artillery Battery that held positions in and around Mossy Creek (the area now known as Jefferson City, Tennessee) while defending the Confederate Army's advance during the Battle of Mossy Creek. The 18th took heavy casualties, but was able to hold its position until help could arrive from the 1st Tennessee Union Cavalry that would eventually drive the Confederate Army to retreat.*
